Counseling Centers, Therapy Businesses, & Mental Health Departments

Elevate your therapy practice to new heights with Belongly for BusinessWe offer a range of powerful tools and programs specifically designed to help mental health businesses grow and thrive.

What Can Your Practice Do With Belongly Business Pages?

Just a few of the features that make this a powerful addition to your practice

Capture New Leads
Our high-converting pages showcase your practice and therapists, making it easy for clients to connect.

Show Your People
Highlight your therapists and connect their profiles to showcase your expertise and services.

AI-Powered Matches
Use our AI chatbot for tailored therapist matching, improving outcomes and boosting client retention.

Post Open Jobs
Fill roles faster with access to 100K+ therapists nationwide on our high-ranking pages.

Streamline Referrals
Use our referral network to find experts for complex cases and receive referrals for your specialized services.

Publish Content
Publish content to showcase your expertise, reach a wider audience, and attract more clients to your practice.

Display Services
Showcase your services to attract clients and highlight the full scope of your practice's offerings.

Replace Your Website
Replace your website with a high-ranking Belongly page that drives traffic and attracts clients.
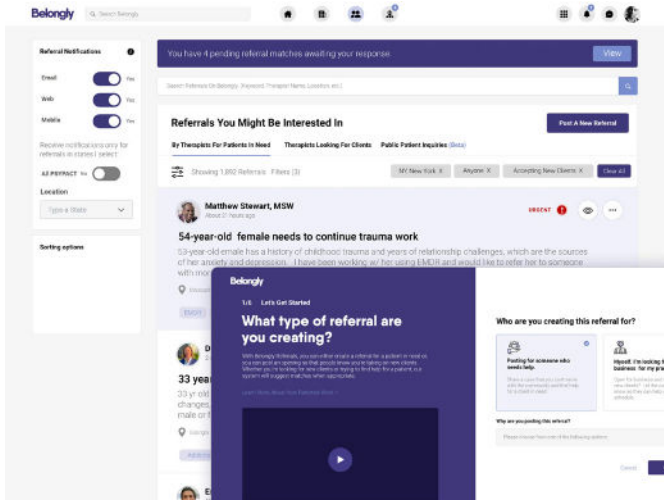

Rank High
Boost your search engine visibility and attract more clients with Belongly Pages.
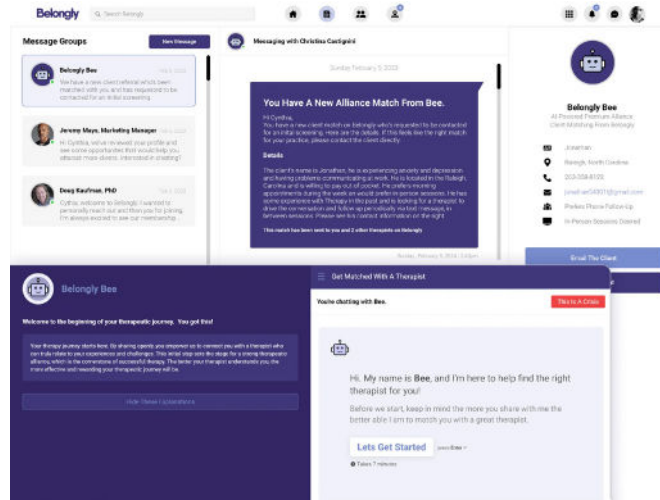

Belongly For Business

Business Page Example

# Explore The Belongly Platform

Peer-to-Peer Referrals

Streamline your referral process and help clients receive the support they need from trusted providers.
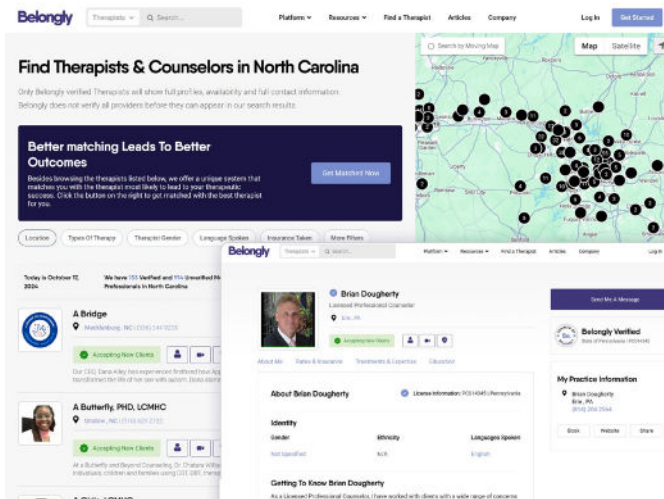

Alliance Premium Referrals

Alliance Premium Referrals matches you precisely with high-quality client referrals most likely to stay with you for a long-term relationship.
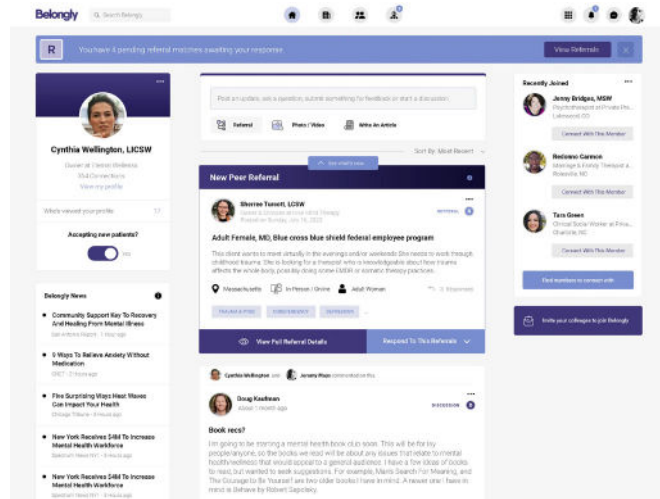

Pulse: Client Retention

Engage with clients between sessions with our micro-surveys to monitor satisfaction, adapt treatment plans, and prevent client turnover.
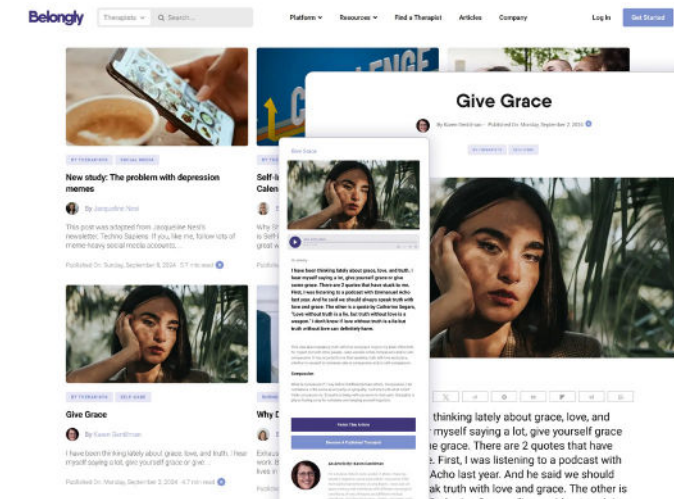

Belongly Discover

We're not just another online directory of therapists; we're a lead magnet for new clients and the foundation for upgrading to alliance-based referrals.

Connect

Connect empowers therapists to expand their networks, access resources, and grow their practices through collaboration and professional development.

Publishing & Distribution

With our free publishing tools and national distribution network, you can put yourself and your content in front of thousands of your peers.
